A veces el relato me recordó a uno de los tebeos de Asterix, como en la escena en que los soldados romanos, acobardados porque los galos les hablan de los germanos como de gigantes fortísimos e invencibles, dicen que tienen asuntos familiares en Roma y que quieren volverse a su casa. Otra escena curiosa tiene lugar cuando César, sorprendido porque Ariovisto no quiere enfrentarse a él, indaga entre los prisioneros germanos y descubre que las mujeres germanas, actuando de arúspices, le han dicho a Ariovisto que vencerá si espera hasta la luna nueva. ENGLISH: In this first book of De Bello Gallico, that I have read in its Latin version, with the help of a dictionary and a Spanish translation (sometimes too free), César relates two of his campaigns, against the Helvetii and against the Germans under Ariovistus. Sometimes the score where the Roman soldiers, cowed at the Gauls description of the Germans as strong and invincible giants, come out with the excuse that they have family matters in Rome and so want to get back home. Another curious scene takes place when Cesar, surprised at Ariovistus reluctance to confront him, investigates among the Germanic prisoners and discovers that the Germanic prisoners are prisoners are prisoners and discovers that the Germanic prisoners are prisoners are prisoners and discovers that the Germanic prisoners are prisoners. Caesar attacks the next day, before the new moon takes place.LATÍN: In hoc libro primo De bello gallico, versio latine, lecto cum auxilium thesauri et translationem hispanam (liberrimam nonnumquam), narrat Caesar duo bello eius: adversus Helvetios atque Germanorum, qui Ariovistus rex.Aliquam interdum Asterix admonuisti: scaena ubi Romanis militibus "ex percontatione... Gallorum... qui ingenti magnitudine corporum Germanos, incredibili virtute atque exercitatione in armis esse praedicabant... quam sibi ad proficiscendum necessaria esse diceret". Curiosum scaena, "cum ex captivis quaereret Caesar quam ob rem Ariovistus proelio non decertaret, hanc reperiebat causam, quod apud Germanos ea consuetudo esset ut matres familiae eorum sortibus et vaticinationibus declararent utrum proelium committi ex usu esset necne; eas ita dicere: non esse fas Germanos superare, si ante novam lunam proelium committi ex usu esset necne; eas ita dicere: non esse fas Germanos superare, si ante novam lunam proelium committi ex usu esset necne; eas ita dicere: non esse fas Germanos superare, si ante novam lunam proelium committi ex usu esset necne; eas ita dicere: non esse fas Germanos superare, si ante novam lunam proelium committi ex usu esset necne; eas ita dicere: non esse fas Germanos superare, si ante novam lunam proelium committi ex usu esset necne; eas ita dicere: non esse fas Germanos superare, si ante novam lunam proelium committi ex usu esset necne; eas ita dicere: non esset necne; eas ita dicere: n {Size: 13.34 x 21.59 cms} Lang: - Latin, Vol: - Volume 3, Pages 221. Reprinted in 2019 with the help of original edition published long back [1920]. This book is Printed in black & white, sewing binding for longer life with Matt laminated multi-Colour Soft Cover {HARDCOVER EDITION IS ALSO AVAILABLE}, Printed on high quality Paper, re-sized as per Current standards, professionally processed without changing its contents. As these are old books, we processed each page manually and make them readable but in some cases some pages which are blur or missing or black spots.
